

Dear Valued Patient ,

I would like to thank you for the opportunity to be your provider at Cedar Ridge Family Medicine. I will be leaving Cedar Ridge at the end of January 2022. I appreciate the trust you have shown in allowing me to provide for your medical needs these past 13 years. Our office is committed to your health care and we hope that you will continue to see one of our providers in the future.

Cedar Ridge Family Medicine will continue to provide services for our established patients and will be happy to secure appointments with one of our other providers. Please contact our office with any questions and we will help you continue with health care at CRFM with a seamless transition.

If you prefer, you may obtain the services of another physician or clinic. If you choose to do so, I would recommend proceeding as soon as possible to ensure a smooth transition for your health care.

Your medical records are confidential, and a copy can be sent to another physician or released to you or another person only through your consent.

It has been my great pleasure to have provided you with health services in the past, and I'm grateful to have had the opportunity to meet some wonderful people throughout my years in this practice. Best wishes for healthy future.

Sincerely,
