Discount Fee Policy

It is the policy of Cedar Ridge Family Medicine to provide essential services to our patients, regardless of the patient's ability to pay. Discounts are offered, according to National Health Corp. Site guidelines, depending upon household income and size. A sliding fee schedule is used to calculate the basic discount and is updated each year using the Federal Poverty Guidelines. Once approved, the discount will be effective for six months, after which the patient must reapply.

The discount will apply **only** to those services received at Cedar Ridge Family Medicine. Please ask any question you may have at the Front Desk or Billing Office or call 586-7676.

Discount Application Process

This application must be approved by the Billing Office, and must include the following documents:

- **Two most recent pay stubs and a W2 for "ALL" members of household. These documents are required from household members over the age of 18. Without these documents we cannot complete the application.**
